Faith Period is a blend of heartfelt reflections, guided prayers, and personal journaling prompts that have shaped the author’s own faith journey and ultimately, her life. Dominica humbly presents her powerful testimony as witness to the present-day relevance of the many wondrous scriptural narratives found in the Bible such as that of Hannah, Esther and the Disciples when their faith was challenged.

“Holding onto hope is an act of faith, a declaration that we believe in God’s goodness, even when life feels anything but good.”
